

**DIRECTIONS TO OUR HOUSE - 79434 DELAUNE ROAD, FOLSOM, LA 70437
(TOM'S CELL PHONE 504.451.9235)**

Starting at U.S. 190 and I-12.....

Take Interstate 12 West, toward Hammond, go 6 miles to the LA 1077 exit.....

Exit north (right); go 9 miles on LA 1077 at which point it, and you make a sharp right turn.....continue on LA 1077.....

¼ mile after taking that sharp right turn, you go over a large bridge crossing the Tchefuncte Creek.....(please ignore the jumping bass and sunfish while crossing the creek, they're only optical illusions...there are no fish here!)

Immediately past the bridge take a left turn on to Albert Thompson Road;

Stay on Albert Thompson Road for one mile;

It twists and turns, but eventually you come to DELAUNE ROAD, A RIGHT TURN ONLY.....

Turn onto Delaune Road, go 2,500' and you come to a sign on the left that says "Chateau David" and our driveway (it has a white picket fence entrance).....

On the driveway, go 50 yards at which point the driveway forks, take the left fork only, the right fork goes to who knows where, people have disappeared on that fork, never to have been seen again.....

Drive around to the rear of the house and park on the gravel.....
